RE: **23TP025 – Coordinated Public Transit - Human Services Transportation Plan 2023 Annual Update**

The Coordinated Public Transit - Human Services Transportation Plan was approved in March 2019 and identifies the gaps and needs in transportation related to persons with disabilities, seniors and individuals with low incomes. The plan provides strategies to fix these gaps and needs, followed by priorities for implementing these strategies. An inventory of participating transportation providers was also provided. Agencies interested in receiving federal funds to help pay for vehicles, such as buses or vans, participated in this locally developed, coordinated public transit - human services transportation plan.

This Annual Update identifies the 2023 accomplishments and on-going tasks as well as those not yet initiated and/or scheduled for the coming years. The Coordinated Public Transit – Human Services Transportation Plan will be updated in 2024 per the 2024 Unified Planning Work Program.

**STAFF RECOMMENDATION: Staff recommends approval of the Coordinated Public Transit - Human Services Transportation Plan 2023 Annual Update.**
